HOW COULD YOUR BUSINESS BENEFIT?

At Backhouse Solicitors, we understand that business owners often need help and practical legal advice on employment law and commercial law matters. To make life a whole lot easier, we offer our Business Law Platinum Package so you can focus on running your business, safe in the knowledge that your legal requirements are in safe hands.

We start with a meeting to assess exactly what your business needs, and from this, we agree on a simple monthly fee that enables you to plan and budget your legal costs. After that, it's a simple matter of a quarterly review. If you find you need more or less help than anticipated, we can revise the monthly fee up or down, giving you a flexible plan dependent on your business needs.

What does the Platinum Package include?

- ✓ Telephone and email advice from our commercial team
- ✓ Our Premium Employment Law Protection Package
- ✓ Shareholder Agreement reviews
- ✓ Director Agreements
- ✓ Negotiation with Trade Unions, Directors and Shareholders
- ✓ Advice relating to individuals other than employees and workers
- ✓ Office lease reviews
- ✓ Litigation advice
- ✓ Review of your business contracts, terms & conditions
